MEMORANDUM FOR THE RECORD

SUBJECT: Hypothetical Logistics Support Problem

1. The FE Division presented the subject problem at the Fourth Office of Logistics Seminar held 24-26 May 1960. OL personnel attending the seminar developed a logistics estimate to support the theoretical problem, in response to FE's request for such an estimate.

2. On 20 July 1960, FE Division forwarded a memorandum to the Director of Logistics which:

a. Offered comments illustrating the FE Division's understanding of the relationship between logistics planning and supply planning.

b. Listed approximately thirty-five additional questions, answers to which FE suggested be included in a logistics estimate if the estimate were used to cover an active Agency project.

c. Stated that FE is no longer concerned with further development of specifics in the hypothetical problem, but would welcome a conference with OL personnel on basic planning policies and on the planning responsibilities of FE and OL, respectively.

3. The DDL dispatched a memorandum to the FE Division on 3 August 1960. In this memorandum, DDL indicated that OL is agreeable to a conference with FE with agenda emphasis on basic planning policies. He also indicated a desire for [REDACTED] to attend the conference. 25X1A8a

4. C/OL/PS designated Lt. Col. [REDACTED] as Project Officer 25X1A9a to arrange the OL/FE conference stipulating that the conference be convened subsequent to 17 August, due to the leave-absence of concerned FE personnel.

5. After coordination with C/OL/PS, DDL and the FE Logistics Officer, the Project Officer scheduled the OL/FE conference for 29 August 1960 in Room 1128, Quarters Eye at 13:30 hours. A copy of the proposed agenda (including names of conferees) is attached.
